

# On the STREETS

with  
Ralph Allison

In the first photo you can see 2 attackers approaching the victim (Mr Allison); 1st attacker runs towards victim in "rugby-tackle" style as second attacker raises his fists to get ready for attack.

1st attacker receives a Choi Kwang-Do (CKD) kneestrike whilst Mr A is watching from "the corner of his eye" second attacker approaching.

Mr. A. quickly turns around to face second attacker at the same time delivering a CKD side-fist-strike to 2nd attacker.

Having delivered the side-fist-strike Mr. A. now performs a CKD downwards-punch to the second attacker. Both attackers have been dealt with efficiently and job is done!
