

ON THE STREETS | by Ralph Allison

1) Children's Self Defence: A young girl gets grabbed by the hand and fears the worst.

2) The victim immediately steps onto the attacker's foot to get him to loosen the grip.

3) This is followed by a Choi Kwang Do (CKD) rear-inward punch

4) As the older boy considers his injuries the young girl is able to run away to the safety of a shop nearby to alert the authorities.
