

ON THE STREETS | by Ralph Allison

6a) Mr Allison is confronted by 2 attackers; he's making sure he's not standing in the centre but offside to one of them.

6b) First attacker slams forward with a heavy object to Mr A's stomach region which is met by side stepping & delivering a Choi Kwang Do (CKD) back forearm block.

6c) This is quickly followed up by a CKD side kick to the 1st attacker's inside of the knee to obtain a take down.

6d) As the second attacker jumps forward with a knife, Mr A performs a CKD inward block - holding on to the hand with the knife.

6e) This is followed up by a CKD Spinning Back-Fist strike (this particular contact point is illegal in boxing).

6f) Both attackers are now on the floor and in a weaker position.

6g) (inset) All of a sudden Spiderman comes to the rescue (joke). This is just to show that we are not "grim faced" martial artists ;)
