A1: First attacker grabs Mr. Allison by the jacket with right hand whilst punching with his left (rear) hand. Mr. A. quickly blocks the punch of 1st attacker with a Choi Kwang - Do (CKD) outwards block at the same time performing a CKD rear inwards punch.

A2: Second attacker kicks. Mr. A. performs a CKD low-block at the same time delivering a CKD side-kick to a sensitive area (PLEASE NOTE: DO NOT PRACTISE THIS AT HOME!!). The attacker's friend is supporting him from falling down.

A3: Third attacker foolishly attacks after having seen his 2 mates KO. This attack is stopped in its tracks by a CKD heel-kick. Job done!
