

# On the STREETS

with  
Ralph Allison

**A:** 1st attacker swings a large weapon sideways to the victim (Mr. A.)

**B:** Mr. A. side-steps at the same time using a Choi Kwang Do (CKD) Back-Forearm-Block grabbing the attacker's hands and delivering a head-butt.

**C:** A second attacker approaches with a grabbing gesture towards Mr. A. neck.

**D:** The victim responds with a CKD open hand inwards Block - side-stepping at the same time.

**E:** At this point Mr. A. fears for his safety and delivers a CKD knife hand to a sensitive area

*(Important: This is a lethal strike and should only be performed in a life threatening situation).*

*Special thanks to E. Nolan and J. Deacon for their participation.*

*WARNING: All the above are potentially dangerous techniques and should only be practiced under the supervision of a qualified instructor.*
