

On the STREETS

with
Ralph Allison

A : 1st attacker grabs victim on his collar from behind

B: Mr. A. (the victim) turns around and needs to make a quick decision if a block is required. As this is not the case a Choi Kwang Do (CKD) Spinning-Reverse-Knifehand is applied .

C: This is followed by a CKD Palm Strike .

E : As second person lunges towards Mr. A. attacker is dealt with using a CKD Heel Kick.

*Special thanks to G. Nolan and B. Prior for their participation.
WARNING: All the above are potentially dangerous techniques and should only be practised under the supervision of a qualified instructor.
